Chair Randall Kaplan called the meeting to order at 8:30 a.m.

WELCOME:

Chair Kaplan welcomed members of the Board of Trustees and invited guests.

In accordance with the UNC Board of Governors, Chair Kaplan then read the following statement:

“As chair of the Board of Trustees, it is my responsibility to remind all members of the board of their duty under the State Government Ethics Act to avoid conflicts of interest and appearances of conflict of interest as required by this Act. Each member has received the agenda and related information for this Board of Trustees’ meeting. If any board member knows of any conflict of interest or appearance of conflict with respect to any matter coming before the Board of Trustees at this meeting, the conflict or appearance of conflict should be identified at this time.”

Roll call was then read by Sharlene O’Neil, assistant secretary.

Chair Kaplan commented on the disappointment resulting from the Board of Governors decision against allowing UNCG to plan the School of Pharmacy. He thanked the Chancellor, Dave Perrin, and the entire UNCG team for the effort they put into the plan.

REMARKS BY CHANCELLOR LINDA BRADY:

Chancellor Brady commented that Jesse Russo could not attend the meeting today due to illness, however this would have been Jesse’s last board meeting as the SGA president. She added that
Jesse has been a wonderful representative of UNCG students, and we thank her for her service to the board and the university.

Brady provided personnel updates, as follows:

- Sharlene O’Neil will be stepping down as chief of staff on June 30, 2010. A search committee has been appointed with Helen Hebert as chair, and it is expected a new chief of staff will be appointed by July 1, 2010.

- University Counsel Skip Capone has resigned his position at UNCG, and effective today, he is the new university counsel at UNC-Asheville. Associate Counsel Steve Serck will serve as interim university counsel until a permanent replacement is appointed. Vice Provost Alan Boyette will chair the search committee, and we hope to conclude the search by July 1, 2010.

- A new position is being created at UNCG for Chief Diversity Officer & Associate Vice Chancellor for Equity, Diversity, and Inclusion. President Bowles has indicated his support for the creation of this position. The position will have dual reporting to the chancellor and the provost and will serve as a member of the executive staff. A search is expected to begin by June 30, 2010.

Brady gave a report on the Affirmative Action Program, highlighting the success UNCG has had in the recruitment, retention, and promotion of ethnic minority and female faculty. She commented on the dramatic increase, particularly since 2007, in the number of tenured professors and tenured associate professors of color, as well as the number of tenure track assistant and associate professors of color. Numbers of female faculty continue to be strong although the increases are not as dramatic since we were starting from a larger base of female faculty. Brady congratulated Provost Perrin, academic deans, department heads, and the faculty who serve on search committees and promotion and tenure committees for the hard work they have done to make these successes possible.

Finally, Brady commented on the recent decision by the Board of Governors to reject UNCG’s request to plan the School of Pharmacy. She circulated a copy of remarks she made to the Planning Committee of the Board of Governors last Thursday. She thanked everyone who supported the effort, including Provost Perrin, Terri Shelton, our colleagues at NC A&T, Winston-Salem State University, and GTCC, and the Greensboro non-profit business and economic development communities. She thanked Skip Moore for the commitment that the Weaver Foundation made in terms of a site for Pharmacy, Randall Kaplan for his communications with President Bowles and Hannah Gage on behalf of UNCG, and Board of Governors members Steve Bowden, Gladys Robinson, and Priscilla Taylor for their support. Regarding next steps. Brady noted that it might not make sense for UNCG to try to revisit the Pharmacy proposal in two years due to the challenge of demonstrating a “compelling need” based on President Bowles’ recommendation. Two years from now Wingate University will be graduating an additional 72 pharmacists out of their Asheville location, UNC-Chapel Hill will be graduating an additional 40 pharmacists a year, and the Board of Governors passed an expansion of the Elizabeth City State University pharmacy program (estimated additional 20 pharmacists a year). Unless the definition of need changes, Brady does not believe we will be able to make the case for a stand-alone School of Pharmacy at UNCG.
