RE: Bylaws Revision and Updated Review of Delegations of Authority

I. Introduction

The Bylaws of the UNCG Board of Trustees (BOT) have not had a comprehensive review since 2003. There have been significant legislative changes since that time and as a matter of best practice, periodic review of a board’s bylaws and related governance documents is advised. To this end, the CARL Committee of the BOT established as a priority the review of the Bylaws and Delegation of Authority. The Office of General Counsel (OGC) in conjunction with the Chancellor’s Office has conducted a review of the aforementioned governance documents and provides the following recommendations for the Committee’s consideration.

II. Goals

The revisions have been made with the following goals in mind:

A. Assure that there are no conflicts between the enabling and related statutes
B. Update and clarify selected provisions of the BOT governance documents
C. Bring the Bylaws into conformity with the current BOT committee structure
D. Eliminate sections that are either no longer relevant or which are more appropriately housed in other documents
E. Update section on the Delegation of Authority.

Attached, please find two documents – the revised bylaws and a separate document containing the delegations of authority. Both documents have been reviewed to confirm that no conflict exists with the Current Code of the Board of Governors of the University of North Carolina and that the delegations are permissible.
Delegations of Authority

A. Delegations to Standing Committees. The Board of Trustees has determined that it is necessary and prudent for the proper and expeditious functioning of the University to delegate the following duties and powers as delegated by state law or the Board of Governors. Unless explicitly reserved herein, the Board delegates the authority to the Chancellor to make operational and management decisions to ensure the proper and expeditious function of the University, except as otherwise required by Board of Governors Policy or law. Upon adoption by the Board, these delegations replace and supersede all current delegations.

I. Executive Committee Duties and Responsibilities.

A. Act for the full Board of Trustees between Meetings

1. In so acting, the Executive Committee (EC) shall report on its actions at the next Board meeting.
2. The EC’s acts shall not conflict with action taken by the full Board.
3. Regardless of any public notice requirement, the Chair of the Board of Trustees shall provide the Board written notice of any proposed actions by the EC that, if adopted, will constitute a final determination no less than three (3) business days prior to the meeting date with a description of any and all items being considered for final determination. If circumstances dictate that notice cannot be provided within 3 business days, notice shall be provided as soon as practicable. If, following the Chair of the Board of Trustees’s notice, two (2) or more members of the Board object to a matter being considered by the EC for final determination, any action on the matter shall be postponed until it can be added to the agenda of a meeting of the full Board. Members of the Board issuing such objection must do so in written form no later than twenty-four hours prior to the planned start of the meeting, addressed to the Chair of the Board of Trustees and the Assistant Secretary. An objection may be retracted in written form any time prior to the start of the meeting. If objections render the meeting of the EC no longer necessary, the Chair of the Board of Trustees shall notify the Board that the meeting has been cancelled.
4. The Chair of the Board of Trustees shall notify the Board of any decision of the EC within twenty-four hours of its making. Actions of the EC normally shall also be reported to the full Board at the next meeting of the Board and entered in the minutes of that meeting. The ability of Board members to object to consideration of matters by the EC shall only apply to matters being considered by the EC for final determination.
