December 8, 2017

D. Ward Russell, Chairman  
Compliance, Audit, Risk Management, and Legal Affairs Committee  
The University of North Carolina at Greensboro

Dear Mr. Russell:

We have completed our financial statement audit at The University of North Carolina at Greensboro for the year ended June 30, 2017, and have issued our report thereon dated November 29, 2017. Professional standards require that we advise you of the following matters relating to our audit.

Auditor’s Responsibility

As communicated in our engagement letter, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of The University of North Carolina at Greensboro solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to
prevent, or detect and correct misstatements on a timely basis. A material weakness is a
deficiency, or a combination of deficiencies, in internal control, such that there is a
reasonable possibility that a material misstatement of the entity’s financial statements will not
be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was not designed to identify all deficiencies in internal
control that might be material weaknesses. Given these limitations, during our audit we did
not identify any deficiencies in internal control that we consider to be material weaknesses or
any instances of noncompliance or other matters that are required to be reported under
Government Auditing Standards. However, material weaknesses may exist that have not
been identified.

Compliance with Independence Requirements

We have complied with all relevant independence requirements.

Qualitative Aspects of the Entity’s Significant Accounting Practices

Significant Accounting Policies

Management, along with the Office of the State Controller, has the responsibility to select
and use appropriate accounting policies. A summary of the significant accounting policies
adopted by The University of North Carolina at Greensboro is included in the notes to the
financial statements. There have been no new accounting policies adopted or changes in the
application of existing policies during the year ended June 30, 2017, that significantly impact
the comparability of the financial statements with those of the prior year.

No matters have come to our attention that would require us, under professional standards,
to inform you about (1) the methods used to account for significant unusual transactions and
(2) the effect of significant accounting policies in controversial or emerging areas for which
there is a lack of authoritative guidance or consensus.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the
performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all
known and likely misstatements identified during the audit, other than those that we believe
are trivial, and communicate them to the appropriate level of management. Further,
professional standards require us to also communicate the effect of uncorrected
misstatements related to prior periods on the relevant classes of transactions, account
balances or disclosures, and the financial statements as a whole and each applicable opinion
unit. There were no uncorrected financial statement misstatements.

In addition, professional standards require us to accumulate all material corrected
misstatements that were brought to the attention of management as a result of our audit
procedures. None of the misstatements identified by us as a result of our audit procedures
and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole or applicable opinion units.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditor’s report. No such disagreement arose during the course of the audit.

Representations Requested from Management

We have requested certain representations from management that are included in the attached management representation letter dated November 29, 2017.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. To our knowledge, there were no such consultations with other accountants.

Other Matters

This information is intended solely for the use of The University of North Carolina at Greensboro Board of Trustees, The Compliance, Audit, Risk Management, and Legal Affairs Committee of The University of North Carolina at Greensboro Board of Trustees, and management of The University of North Carolina at Greensboro and is not intended to be and should not be used by anyone other than those specified parties. Certain representations in this letter are described as being limited to matters that are material. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit:
