UAC-1 Fundraising Report Update

Ms. Davidson presented the updated fundraising report through January 31, 2018. The goal for 2018-19 was $20M. As of January 31, total funds raised were $11.5M, down 6.8% over last year. Since this report was produced, University Advancement has closed another $1M, so the current total stands at $12.5M. Fundraising to date is about even with last year.
Chancellor Gilliam noted that the university is in final stages of hiring a new Vice Chancellor for University Advancement. Candidates have been told that there is a very short window between a hiring date and the start of a campaign. Brad Hayes asked that a participation goal for alumni be added to the fundraising report.

Ms. Davidson continued with an update on the Believe in the G campaign, explaining that it is a day of giving using email and social media to reach as many potential UNCG donors as possible, including students, faculty, staff, and alumni. It starts tomorrow and ends on Friday. Next year’s campaign will involve the boards earlier and more actively.

UAC-2 Campaign Planning Update

Ms. Davidson reported that work is underway to convert the strategic plan into a campaign format. This is part of pre-campaign preparations that will assist the new vice chancellor for University Advancement.
