COVID-19 Update

Julia Jackson-Newsom, AVC for Strategy and Policy
Zach Smith, Director, Emergency Management

September 22, 2020
Critical Components

• Strong emergency management program and team
• Extensive network of teams with overlapping members
• Powerful and adaptive web-based management tool
• Responsive and skilled communications team
• Strong partnerships with
  • Guilford County Public Health and Emergency Management teams
  • Cone Health
  • Other IHEs in Guilford County
• Decisive and supportive leadership from Chancellor and members of Chancellor’s Council
Guiding Principles

• Collaborative and comprehensive
• Balance hierarchy with need for quick and consistent response
• Flexible, based upon continual improvement
• Transparent and frequent communication
• Direct and honest communication
• Clarity on what’s most important
Current Status

• De-densified campus
  • Housing
  • Course delivery
  • Teleworking
  • Events and auxiliary services

• Case management
  • Dashboard
  • Processes and procedures
  • Testing
Next Steps

• Remain vigilant
• Continue to develop testing strategy
• Continue to stay abreast of new information
• Finalize plans for winter break
• Finalize plans for spring semester
Lessons Learned

- It’s never too early to start planning
- Need to be comfortable being uncomfortable
- Fear and anxiety are formidable foes

HOW TO WEAR A FACE COVERING

FACE COVERINGS SHOULD FULLY COVER YOUR NOSE, MOUTH, AND CHIN.
IF YOU ADJUST YOUR FACE COVERING, WASH YOUR HANDS BEFORE AND AFTER.
DO NOT WEAR YOUR FACE COVERING BELOW YOUR CHIN OR HANGING OFF YOUR EAR.
