Open Session

BOT-1 Naming Policy and Revocation Guidelines

Oakley noted that after much discussion and ample opportunity for trustee input, the board was considering a revised naming policy and guidelines for revocation of namings. Oakley briefly reviewed the process behind the revisions, which included the University Advancement
Committee (UAC) discussing the policy at the March 16, 2021 meeting. Thereafter, Vice Chancellor Beth Fischer’s team confirmed the consensus of the Committee, and the proposed policy was drafted accordingly, along with revocation guidelines. Those documents were reviewed by UAC members before being shared with the full board along with a summary of key provisions. All Trustees were given an opportunity to share their feedback.

During conversation, Trustee Dean Priddy discussed the value of signatory authority and best practice based on his review of naming policies at other universities and moved that the proposed policy be amended to delegate authority to the Chancellor to approve namings at $100,000 or less, rather than namings at or below $99,999.99 as drafted. Discussion followed and the board reached consensus that the proposed policy should be so amended. Oakley invited a motion to approve the naming policy as amended. Trustee David Sprinkle made the motion; Trustee Mona Edwards seconded. On roll call vote, the motion passed unanimously.

Oakley noted that the remaining items on the agenda needed to be discussed in closed session. She reminded the board that during closed session, the only topics of discussion would be agenda items BOT-2 and 3, and that no vote would be taken until the board returned to open session.

Oakley then moved that the board convene in closed session pursuant to N.C. Open Meetings Law Section 143-318.11(2), (5) and (6) to prevent the premature disclosure of an honorary degree, scholarship, prize, or similar award; consider the amount of compensation and other material terms of an employment contract or contracts; and consider the qualifications, performance, character, fitness, or conditions of appointment of an employee.

Trustee Mae Douglas seconded. On roll call vote, the motion passed unanimously.

Members of the public were advised that the live stream would remain active during the closed session and that streaming would continue when the board returned to open session.
